If you have booked evening meal with us, it is served at 7pm so please arrive between 5pm and 7pm. Due to some bad experiences with guests who have turned up late for dinner and then given us poor reviews, we regret that we will not provide dinner if you arrive late without contacting us.

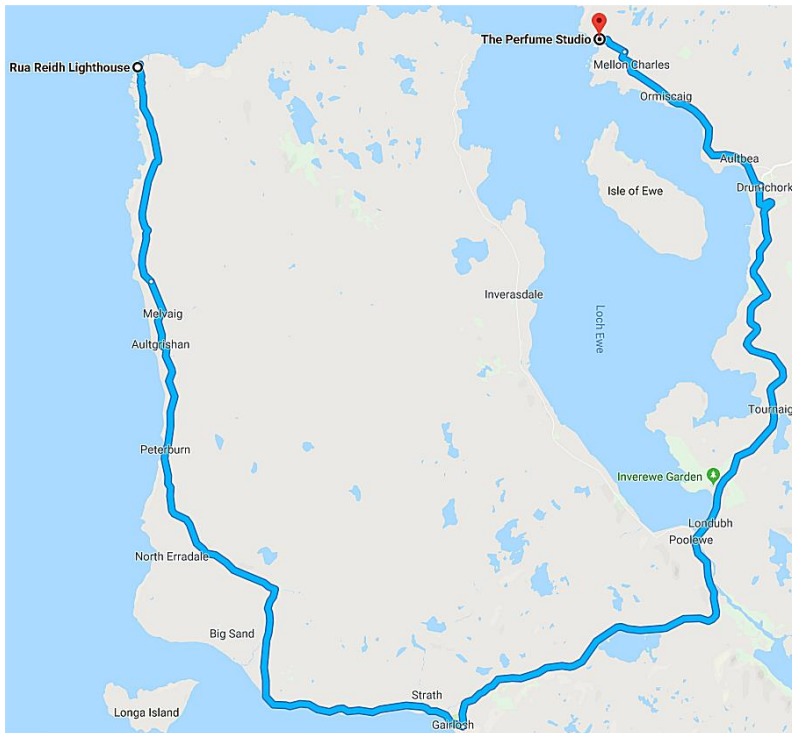

Evening meal is a set menu (i.e. no choice of menu); if you let us know 24 hours in advance we will try to accommodate likes and dislikes, but we can't guarantee to be able to cater for every specific dietary requirement because of our remote location, so if you have food allergies or intolerances please contact us to discuss if you have not already done so. Our set menu is always a meat dish but we can provide a vegetarian alternative if you request 24 hours in advance.

If you did not book an evening meal when you made your reservation you can still order evening meal for your arrival date if you contact us 24 hours in advance. It is 30 minutes drive to the nearest restaurant and most of the local restaurants take last orders
